2018/19 Transportation Contract Bid

9th July 2018

OVERVIEW

In-county Trips: \$90 per trip and layover if bus is used for multiple trips and requires driver to stay.

Out-of-County Trips: \$2.25 per mile plus layover

Layover Costs: \$20.00 per hour.

Weekend-in-County Trips: \$100 per trip

Fuel Adjustment: Remain at the previous agreed upon adjustment. If the price of fuel goes over \$4.00 per gallon, an extra \$0.01 per \$0.01 over \$4.00 per gallon will be charges

Special Education: Unaware of any transportation needs for any students.

GOALS

1. 5% increase in base pay from the previous 2017/18 Bid (\$52,763.55) new base). Payable in 12 monthly payments throughout the year.
2. Be able to drop children off at 7:25am in the front without congestion from the parents dropping off kids. Do to children safety, parents should not drive under the stop arm of the bus. We need to be able to get on our way with the Mater Dei high school kids. (Breese Central kids get picked up by M&K transportation out of Aviston) We have a tight schedule because the high school kids in Germantown have to be picked up from both companies before heading towards their perspective school. (High school route is contracted through Central High School).
3. If a secondary route needs to be run to pick up non-religion kids before school, we will need to add an additional \$25 per day to our base salary.

-
4. Brad, Tim and Joan Varel are our only current drivers. Joan plans on going part time and we need a driver to help her do this. The parent who took the course last year, backed out and didn't finish. We need the school and parents to spread the word that this is a need. Without drivers we may not be able to continue in the future. Requirements: CDL license with ability to obtain bus endorsement, pass background check, pass physical and drug test and attend initial and refresher bus driver course.
 5. We would like it if the teachers could be considerate and plan on their field trips being back by 2:30 pm. A bus has to leave Bartelso to pick up the MD kids when they get out of school (2:50) and bring them back to each school (Germantown & Bartelso) before arriving at the elementary school. We understand that sometimes that doesn't work and are willing to make certain adjustments.
 6. We would like the parents and teachers to remind their kids on the bus rules. The bus is an extension of the classroom. If they can't do it in class or in their vehicle, then they shouldn't do it on the school bus. Each bus has a trash can on it for their use. If we have to continue cleaning up spilled food and drinks, we will need to charge a cleaning fee.
